

Skullcandy Unveils New Audio Lineup in India

Skullcandy, the renowned lifestyle audio brand, has introduced an exciting range of audio products in India, featuring two True Wireless earbud models and an advanced ANC Headphone. The TWS offerings include the Smokin' Buds and Rail, while the ANC Headphone is the CRUSHER ANC 2.

A promotional graphic for the Skullcandy Smokin' Buds True Wireless Earbuds. The background is dark with a green grid pattern. In the center, there is a 3D rendering of the earbuds and their charging case. The earbuds are shown in a disassembled state, with one earbud in the foreground and another inside the case. The text "SMOKIN' BUDS" is written in a bold, green, sans-serif font, with "TRUE WIRELESS EARBUDS" in a smaller, lighter green font below it. Below that, the slogan "SLEEK BUDS, ELEVATED SOUND." is written in a large, bold, green, sans-serif font. At the bottom, there are icons for EQ modes (Music, Movie, Podcast) and a battery icon with "20h" next to it, followed by the text "20 Hours Battery Life + Rapid Charge".
